Special Meeting – Plow Truck

Present – Vice Chair Dave Hauser, Supervisor Jim Roach, Treasurer Dominic Henderson and Clerk A. Anderson.
Also present – Bill Fischer from Boyer Trucks and Brandon Oachs from TBEI (Truck Bodies & Equipment Int'l). Bill brought the Western Star 4700 Plow truck for supervisors to look thru and inquire appropriately.

All parties went thru all moving parts of the plow truck. Bill and Brandon answered all questions that came about. Because this plow truck was for demonstration it came with approximately \$6,000 worth of added values.

Both Boyer Trucks and TBEI are deducting \$2,500 from the invoice as this truck was for demonstrations.

Henderson asked about final payment date – Bill Fischer stated they could work with a net of 60 days, but would work with the township if more time was needed.

All reviewed the different spec's and fees. All information is on file with the clerk.

J. Roach made a **motion (1)** to adjourn the Special Meeting regarding the Plow Truck at 7:40pm, seconded by D. Hauser. Motion Carried.

Respectfully Submitted,

Anna Anderson
Clerk
