

MISSION TOWNSHIP PARK

AUGUST RECAP

AUGUST ACTIVITIES

Note: My activities in the park this month were curtailed my bout with with Lymes Disease. Again my thanks to our Park Committee members: Jim Peterson, Dave Baker and Michael Blassey for their support and help in keeping the park in excellent condition. My health is now back to normal and will continue to fulfill my duties at the park.

1. Maintained weekly schedule as needed.
2. Maintained the pavilion for reservations through out the month
3. Planned and worked on start of renovation and changes at park
4. Continued tree trimming and debris removal
5. Maintained crack sealing at tennis courts
6. Maintained mowing as needed
7. Use of the park continued at a high level in August as it has all year

PLANNED ACTIVITIES FOR SEPTEMBER

1. Maintain weekly schedule as needed
2. Start tree removal for renovations as needed
3. Putting away and storing of recreational equipment as weather permits usage
4. Complete crack sealing and cleaning of tennis courts
5. Replace last 2 wind screens on tennis courts
6. Replace pump house roof
7. Power wash bulletin board roof
8. Pump restroom tanks on October 5th
