Minnesota statutes delegate power to the Town Board as a group and not to individuals, for the exercise of township business. It is understood in redelegating such authority the Town Board **retains the authority for all policy issues/decisions**. The Town Board expressly redelegates the following operational approval authority with the understanding the dollar limit is the **total monthly limit** without prior Board approval.

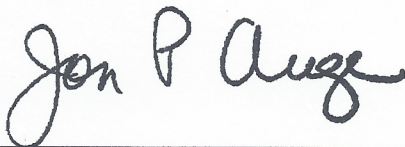

Position	\$ Limit	Comments
Supervisor - Department Liaison	\$2,000	May approve a one-time higher spend in an emergency (i.e. storm or critical equipment failure) provided they document in an 'information only' email to the Board

Capital Project Change Order Approval:

The Town Board authorizes the Park Liaison, Fire Liaison and Roads Liaison to have change order approval involving **operational issues** not to exceed \$5,000/month for the Capital Planning projects in their respective departments, with the understanding these change orders will be presented and approved at the next regular Board meeting.

ADOPTED by the Town Board of Mission Township on December 12, 2022.
