

## Crow Wing County Township Questionnaire

1. **Name:** Jon Auge  
**Title:** Town Board Chair  
**Community:** Mission Town Board
  
2. **What is working well as it relates to the current Comp Plan?**
  - Generally, well planned & balanced land use development.
  - Strong emphasis on preserving water resources as a priority.
  - Maintenance of an effective transportation infrastructure.
  
3. **What is not working as well as it relates to the current Comp Plan?**
  - Intensity/density of development in the Shoreland District.
  - Dispersion of commercial development abutting residential districts.
  - Availability of workforce housing & proliferation of STR's.
  
4. **What issues would you like to see addressed in the county's Comp Plan update?**
  - Tighter controls on the intensity/density of development in the Shoreland District.
  - Land use policies supporting clustering of commercial development in areas supported by existing infrastructure.
  - Policies supporting workforce housing to sustain a viable workforce.
  - Continued emphasis on preserving natural resources, particularly water resources.
  
5. **What are your township's goals for growth and development over the next 20 years?**
  - Modest growth (10-15%) as demographics shift.
  - Manage growth to maintain the rural, recreational, and environmental features of the town.
  
6. **How can the county support those goals?**
  - Refer to question 4.
