Roads Projects Informational Meeting

We are hosting an Informational Meeting to share information and respond to questions about our reclamation of Huxtable Point Road and the final portion of East Horseshoe Lake Road from MPD to Cty. Road 11. It will be on **Wednesday, April 17**, at **6:00 PM** at **Mission Town Hall**. A representative from our township engineer Bolton & Menk and town board members will be present. Anyone impacted by or interested in these projects is invited to attend.
