Special Meeting on Maintenance Worker Interviews and Next Steps

Present - Chair Jon Auge; Supervisors Bob Steele and Jim Roach. Applicant David Leclerc was also in attendance.

Chair J. Auge called the meeting to order at 4:00 pm.

The board interviewed applicant David Leclerc for the new position of Maintenance Worker. He indicated he meets the qualifications, has a current CDL and medical card. Upon completion of the interview, David indicated he would take a day or two to consider the position and advise the Chair of his willingness to accept.

After the applicant departed, the Board discussed the interview and there was consensus to offer the position to David if he expresses an interest in the job. Discussion then occurred on 'Plan B' in the event the applicant does not accept the position. There was consensus to re-advertise using our Fire Department message board, the job site Indeed, and community contacts. Supervisor Roach expressed a willingness to plow snow should we not find a candidate prior to the season which is appreciated. This will require the town board to adopt a 'Conflict of Interest' resolution should this option be pursued. We will also need a plan to maintain the paved trails and bathrooms in the park.

Adjourn - Having completed the stated special meeting business, the chair adjourned the meeting at 4:50 pm.

Respectfully submitted,

Jon Auge, Chair
