TOTALS:		\$2,684,240	\$1,496,009		\$790,285	\$1,691,233	\$508,411	\$181,795

NOTES:

- 1) The Town Park Improvements 'Paid by Other' was a DNR Matching Grant of \$83K.
- 2) The Multi-Use Maintenance Building includes Design, Construction and Xcel Energy install.
- 3) Fire Tender 2 chassis down payment was paid from reserves in August, 2023 (\$111,552), and reimbursed from bond proceeds.
- 4) The MPD and EHLR 'Paid from Reserves' is for Bolton & Menk engineering costs.
- 5) The EHLR remainder and Huxtable Point 'Paid from Reserves' is for Bolton & Menk engineering costs.
- 6) SCBA replacement 'Paid by Other' assumes obtaining grants for 50% of the project.
- 7) Fire Radio replacement deletes pager replacement since they were already replaced.
- 8) Fire Radio replacement 'Paid by Other' is a contribution of ARPA funds from Center Township (\$58,325) and MT ARPA Funds (\$13,172).
- 9) Fire Grass Rig 2 replacement will change from a new vehicle to purchase of a used vehicle through the DNR program.
- 10) East Bass Lake Road reclamation deletes the CR116 portion.
